## BENEFITS OF FINANCING

### Finance Procedures

Submit a credit application to Commercial Industrial Finance.

Upon approval, we will call you and review available terms.

We build contracts accordingly and send them out via email or overnight.

Upon receipt of the executed contracts, we will issue a Purchase Order to the vendor. This triggers them to build/ship your equipment.

We will follow up with you to accommodate upcoming needs/purchases.

### Conserves Capital

Financing will free up working capital for operational uses and other business opportunities.

### Preserves Credit Lines

Keep your bank lines of credit open for other needs or growth.

### Tax Advantages

Sales tax can be spread out through the finance term.

### 100% Financing

You may include some or all of the expenses associated with equipment use, such as shipping, taxes, installation, maintenance contracts, or freight into the payment.

### Flexible Payments & Terms

Finance terms can range from 24 to 60 months. Our finance structures are customized to meet your budgetary needs.

### Fixed Payments

Payments are fixed to protect you against inflation in an unpredictable market.

### Quick Turn-Around

We will have an answer for you within 4 - 6 hours of receiving complete credit package.

### Rates

We offer competitive low rates with fixed affordable monthly payments.

### Ease of Use

Our credit process is very simple and requires a simple one page application for finance amounts up to \$100,000.00. Our contracts are on 2 pages and written in simple verbiage.
